Development Proposal Location: West side of Winston Churchill Boulevard between Cornwall Road and Lakeshore Road

You are invited to attend a Community Meeting where you will have the opportunity to view the development proposal, ask questions and share your comments. Formal Presentation for item 1 will start at 7pm. Formal Presentation for item 2 will start at 8pm.

WHAT IS PROPOSED?

Blackwood Partners have made a site plan application to develop the lands outlined in red above. The proposal seeks to develop an industrial development consisting of 3 warehouse buildings with a total gross floor area of 59,412.27 square metres, and 417 parking spaces. A storm water management pond is proposed on the south end of the site. The site is oriented with a central truck courtyard, and employee parking around the perimeter. Access is provided by a proposed full moves access for truck traffic and a separate right in/right out for employee traffic. This meeting is being hosted at the request of Town staff given the various industrial developments in the area.
